

A MESSAGE FROM THE PFAS COST RECOVERY TEAM

OUR EXPERIENCE AND LEADERSHIP

Napoli, with over 30 years of experience, has the capability to successfully advise and represent Your community. Our firm has demonstrated, through national leadership roles in numerous mass tort and class action cases, that we have both the financial resources and the legal, human, intellectual, and technological capital to successfully pursue and obtain substantial results to benefit its clients in this PFAS Cost Recovery Program. Notable examples of this expertise include leadership in the current AFFF litigation (Aqueous Film Forming Foam), as well as in Opioid and other related drug and device cases. Our firm is able and prepared, as necessary, to advance and invest millions of dollars in time and out-of-pocket expenses, with the firm's recovery contingent upon a successful outcome, in the pursuit of the Your community claims in PFAS contamination matters.

OUR TEAM

The legal team Napoli has committed to this litigation is comprised of five partners, eighteen associates, as well as paralegal and technology support staff. We maintain low rates of turnover, assuring consistency in our work.

Mr. Paul Napoli will be serving as our primary attorney in this litigation and is nationally renowned for his leadership in the area of environmental mass tort, complex liability cases, and representing municipalities, with more than 25 years of experience. Notably, and specifically important in this case, Paul has been appointed Co-Lead Counsel in the *In re: Aqueous Film-Forming Foams (AFFF) Products Liability Multi District Litigation* (MDL) 2873 by Judge Richard M. Gergel, the District Judge in the District of South Carolina overseeing the AFFF MDL. In short, Paul has been and will be at the table for every significant decision, procedure and activity in this case. This will mean that our ability to represent the interests of Your community will be front and center.

Mr. Napoli and our team of attorneys tackling this litigation have significant experience in environmental litigation, and is organized to address PFOA contamination, environmental hazards, air pollution, pesticides, hazardous waste, oil spills, water contamination disease clusters, fracking and energy exploration and soil contamination.

INDUSTRY RECOGNITION

Napoli attorneys have been recognized by some of the most prestigious publications, including the "Top 100 Trial Lawyers" and "Top 10 Environmental Trial Lawyers" by National Trial Lawyers. We have also been included in the invitation-only Multi-Million Dollar Advocates Forum® for the numerous multi-million-dollar verdicts and settlements we have been able to secure on behalf of our

clients.

Fortune Magazine has recognized Napoli as “America’s Premier Lawyers”, our attorneys are regularly named to Super Lawyers® lists across the country, and the firm was selected as one of the “Best Law Firms in New York” in 2021 by *U.S. News & World Report*. In all, our team is not just able to demonstrate consistency and stability in practice, but rather, exceeding this requirement by demonstrating a stellar track record that would be instrumental in representing Towns in this PFAS Cost Recovery Action and progress.

OUR RESULTS

Napoli Shkolnik PLCC has the capacity to successfully represent Your community in this cost recovery litigation. We are able and prepared, as necessary, to advance and invest considerable resources in time and out-of-pocket expenses necessary for proposed representation cost recovery program. In recent years our firm has successfully resolved and self-funded the following mass litigations:

1. \$816.45 million settlement for World Trade Center recovery workers;
2. \$1.2 billion settlement of pharmaceutical litigation;
3. \$52 million settlement of an MTBE environmental litigation;
4. \$28 million supplemental settlement for World Trade Center recovery workers; and
5. \$10 million+ awarded for asbestos victims.

In a sense, your community is ahead of the curve, having taken action to begin planning and remediating the impact of PFAS/PFOA. This forward-looking action by your administration will help to set you up for success.

OUR RESOURCES

Our firm has the significant resources required to handle the voluminous motion practice and discovery demands which will be required in this lawsuit. We are committed and prepared to fund this complex and expansive litigation leveraging our significant experience in litigating mass tort and class action matters which normally require the receipt, organization, and analysis of millions of documents. Please take a moment to consider our success in the past as evidence of our ability to produce an outstanding result for your community in this case.

Thank you for taking the time to consider Napoli’s proposal to represent your community in this litigation. If Your community chooses to retain this firm, you will have counsel who is available and accessible, both in person and virtually, always. to advise your community in this quickly changing regulatory environment.

Additionally, Napoli maintains a full-time lobbying component in Washington, DC. We are

tracking developments in the infrastructure legislation and other water and related legislation coming out of the House and Senate. Our goal is to keep our clients aware of other funding opportunities in addition to our cost recovery program. We truly feel ours is a full-service law firm.

We are proud to be representing the National Rural Water Association in this PFAS Cost Recovery Litigation and look forward to representing your community to lessen the financial burden on your utility and ratepayers resulting from these forever and everywhere chemicals.
